

Jamestown Presbyterian Church
Position Description
Contemporary Service Worship Leader

Position Title: Contemporary Service Worship Leader
Reports to: Pastor
Session Oversight: Worship
Position Status: Part time
Pay: final salary negotiable based on experience

Job Summary: The primary responsibility of the worship leader will be to lead and facilitate the contemporary worship service at JPC. The qualified individual will lead the congregation in prayers, transitions, and flow of the service. The first half of this services includes Call to worship, opening prayer, praise music and Confession/Passing of the peace.

Key Responsibilities and Duties:

- Serve as worship leader @ CLC worship services
- With Music Director make decisions about music selections for service
- Introduce new music and styles to Decided (praise band), as appropriate
- Provide musical leadership for special services.
- In conjunction with appropriate staff members provide suggestions for music in the contemporary services.
- Participate in Decided practices as available.
- Play instrument in service (preferred)

Qualifications:

- Strong Christian faith and values
- Active prayer and devotional life
- Experience leading worship a plus (paid or volunteer)
- The ability to play an instrument is also a plus but not necessary
